

Sri Sathya Sai Educare Training

Region 2 • Marriottsville, MD • September, 2024

The Sri Sathya Sai Educare (SSSE) Training is for current and new gurus, parents, and any center members who wish to have a deeper, more comprehensive understanding about Sri Sathya Sai Educare. This training has been developed directly from Swami's words on Balvikas and education. In the training, we will learn about the sacred role that Swami bestows upon us—"gurus" (not teachers)—as well as how that role translates into teaching SSSE classes. For those who are not ready to commit to teaching, the training will offer insights into parenting and appreciation for the classes your children attend.

The SSSE Training in Marriottsville will entail an in-person, weekend-long, interactive training, followed by trainees creating a lesson plan and presenting it virtually the following weekend. Upon completing the entire training and receiving their certificates, gurus are eligible to teach SSSE classes when they feel ready and able.

"Bala Vikas is devised not merely for the education of the children but also of the gurus. The Bala Vikas chores are bound to elevate and sublimate the thoughts and emotions of the gurus far better than any other sadhana (spiritual discipline) can. Remember that as gurus, you too have a Guru guiding you and overseeing your seva (service). So you too are pupils, and you too learn the lessons of equality, equanimity and selfless love while acting as gurus."
